Cookies Policy

2018
Cookies Notice

You should be aware that when you access or use our content, products and services, we may collect information from your devices using 'cookies'.

When visitors enter our website http:// www.xtrade.eu, We (Xtrade Europe Ltd, registered address: Vasileos Konstantinou 140, 3080, Limassol, Cyprus) receive and store information about their entry (date, time, IP address, log). This information is kept on our encrypted servers for a period of one (1) month. The purpose for which we collect and preserve this data is for Xtrade Europe Ltd.'s legitimate interest, to maintain and administer the services, resolve disputes, identify and prevent malicious actions, and to ensure the proper functioning of our website for our users. Our cookies also help safeguard your interest - to recognise you as a user, personalise your experience of using the website and keep track of the number of users who visit. Cookies also help various processes on the site, they make it possible to navigate between different pages of the site and transfer of information between the pages, facilitate form filing.

Cookies perform various different functions, and the purpose of this policy is to give you a clearer understanding of:

- What cookies are?
- Why we use cookies?
- How we use cookies?
- Cookies types.
- Managing cookies.

What are cookies?

Cookies are small pieces of text files that are placed on your computer or mobile device when you access websites on the internet. They are not programs and cannot be executed as code or deliver viruses – instead cookies act more like a passport, which the site checks and updates whenever you visit.

The cookies we use typically collect anonymous identifiers associated with your device, browser, referring site URLs, time or usage information, Website preferences and settings, etc. (as further provided in this Policy).

Why do we use cookies?

- Cookies are used by our websites to improve your online experience and to ensure that relevant content and functions are delivered and used more effectively.
- We use both session cookies and persistent cookies to perform various functions across our sites.
- Session cookies are downloaded to your device temporarily for the period that you browse a particular website; these cookies might allow you to navigate between pages more efficiently or enable websites to remember the preferences you select. Persistent cookies can be used to help websites remember you as a returning visitor.

XTrade Europe Limited website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

How we use cookies?

We use cookies for a number of reasons, including, but not limited:

- to assist new customers during the sign-up process,
- to allow customers to set Website preferences,
- verifying your identity for security purposes
- determining the type of browser and settings you are using
- allowing site owners and third-party advertisers to tailor content to your preferences
- to allow customers to navigate between pages of the Website more efficiently,
- to run the functionality of the Website optimally and efficiently,
- to activate certain features of the Website,
- to gather information about customer/User activity on the Website and to understand how it is used,
- to detect and prevent fraudulent use of the Website,
- to track how customers/Users, arrive at our Website for marketing purposes and to track referrals,
- to deliver more relevant advertising to our customers/Users at the websites and mobile applications they visit
- for research and analytical purposes to see who Users interact with the Website in aggregate

We do not, under any circumstance, sell information collected via cookies.

Set out below is more information on these categories of cookies, including their purpose and whether these cookies collect personal data.

Cookie Types

Strictly Necessary Cookies

Purpose
